VI. BUDGET APPROVAL

Mary Drake and Brenda Martinez expressed concerns about the posted budget. They both stated that the revenue received from contract fires this summer should be reflected in the proposed budget. The Fire Commissioners disagreed, stating it should be on an amended 2024-2025 budget. Mary countered with the fact that it will be spent in 2025-2026, that it should be included on that year's budget. The Commissioners disagreed. Mary and Brenda's objections are noted on the record.
